Her
intonation
seems a
little...

Actually,

her
intonation
sounds so
natural that
it's hard to
notice.

Chatter

What?

I don't get this at all!

Seriously,
what's her
deal?

Huh?

She
wouldn't
follow me
this far,
probably...

It's a
game?

We get along well, and, how should I say it?

I feel really comfortable with her...

...

Maybe it's because Becky seems a little like an otaku... She knows a lot about manga and stuff...

And she was surprisingly happy to talk about Visual Kai' too...

Becky should avoid those kinds of things...

I wonder if I could tell Becky my secret...
